WHY CHOOSE CARTER SCHOOL?

- 12 classrooms, in 3 pods, for 60 students
- Low teacher-to-student ratio
- Small class sizes
- State-of-the Art Facility designed for students with disabilities
- Dedicated & experienced staff
- Knowledgeable family support team
- Excellent nursing support

An Interdisciplinary Approach

Our dedicated team of teachers and therapists, work together to create a comprehensive educational plan tailored to meet your child's academic, physical, and emotional needs. By fostering a collaborative environment, we ensure each student receives the support and guidance they need to reach their full potential.

EXCEPTIONAL FACILITIES AND EDUCATIONAL PROGRAMMING

- **Therapeutic Spaces:** Thoughtfully integrated throughout the school, and dedicated outdoor spaces on all three floors are fully accessible for exploration, sensory stimulation, and hands-on learning.
- **Music Therapy and Expressive Arts:** Dedicated spaces for Music Therapy and Expressive Arts. Designed to inspire creativity and self-expression.
- **Literacy Center:** A dynamic, specially designed space promoting early literacy for students with unique needs, serving as a foundation for communication and lifelong learning.

Outdoor Spaces

EXCEPTIONAL FACILITIES AND EDUCATIONAL PROGRAMMING

- **Aquatic Therapy:** Our new onsite zero-entry pool provides a supportive, zero-gravity environment where students can experience the benefits of aquatic therapy. This specialized space is designed to meet each student's unique physical needs, promoting strength, mobility, and overall well-being.
- **Adapted Physical Education:** Specially designed half-court gymnasium for our students. This space will be used as a community gathering space.
- **Vocational / Occupational Facility:** Transition aged students will have the opportunity to develop community based vocational skills.
